Adapter generator-H type 1

160,75 € (including 20 % tax)

Adapter cable between a generator built before 2008 and post-2008 HERON^{Â®}. [\[Product Details...\]](#)

Adapter generator-H type 2

160,75 € (including 20 % tax)

Adapter cable between a generator built after 2008 and a prior 2008 HERON^{Â®}. [\[Product Details...\]](#)

Adapter for former remote

146,23 € (including 20 % tax)

Adapter cable between a former handle remote control (by manual contact) and a HERON^{Â®} 2000. [\[Product Details...\]](#)

Adapter for new remote control

146,23 € (including 20 % tax)

Adapter cable between a new handle remote control (by manual contact) and a HERON^{Â®} 88. [\[Product Details...\]](#)

AIGRETTE

[Call for Pricing](#)

[\[Product Details...\]](#)

AIGRETTE configuration #1

[Call for Pricing](#)

This AIGRETTE^Å set has a backpack remote control by radio transmitter for fishing with one electrode.

[\[Product Details...\]](#)

AIGRETTE configuration #2

[Call for Pricing](#)

This AIGRETTE^Å set has a backpack remote control by radio transmitter for fishing with two or more electrodes. [\[Product Details...\]](#)

AIGRETTE configuration #3

[Call for Pricing](#)

This AIGRETTE^Å set has a remote control by radio transmitter with magnetic switch for electro-fishing with one or more electrodes. [\[Product Details...\]](#)

AIGRETTE configuration #4

[Call for Pricing](#)

This AIGRETTE^Å set has a remote control by cable and manual contact switch for fishing with one or more electrodes. [\[Product Details...\]](#)

AIGRETTE configuration #5

[Call for Pricing](#)

This AIGRETTE^Å set has a remote control by manual contact handle or pedal for fishing by boat with one or more electrodes. [\[Product Details...\]](#)

AIGRETTE configuration #5b

[Call for Pricing](#)

This AIGRETTE^{Å®} set has a remote control by tri-wired cable for fishing by boat with one electrode. [\[Product Details...\]](#)

AIGRETTE configuration #6

[Call for Pricing](#)

This AIGRETTE^{Å®} set has a remote control by tri-wired cable, for fishing with one electrode. [\[Product Details...\]](#)

Magnets for glove

3,82 € (including 20 % tax)

[\[Product Details...\]](#)

ALBATROS

[Call for Pricing](#)

[\[Product Details...\]](#)

Bulb for door indicator

5,64 € (including 20 % tax)

[\[Product Details...\]](#)

Transmitter antenna

The type (M,L or backpack) varies according to frequency used by the transmitter.

[\[Product Details...\]](#)

Receiver antenna

Receiving antenna for electro-fishing devices type HERON ^{Â®} ou AIGRETTE ^{Â®}. [\[Product Details...\]](#)

Short axle

63,60 € (including 20 % tax)

Wheel axle mountable under frame. [\[Product Details...\]](#)

Long axle

69,96 € (including 20 % tax)

Wheel axle mountable under frame. [\[Product Details...\]](#)

Rotating ring, 3-pin plug

8,65 € (including 20 % tax)

[\[Product Details...\]](#)

Rotating ring, 4-pin plug

8,65 € (including 20 % tax)

[\[Product Details...\]](#)

Scales

1 994,53 € (including 20 % tax)

Precision scales for automatic calcimeter, from 0.001 g to 150g. [\[Product Details...\]](#)

Ni-Cd battery, fast charging model

394,32 € (including 20 % tax)

[\[Product Details...\]](#)

Carrying harness

129,06 € (including 20 % tax)

[\[Product Details...\]](#)

Cap for socket and mutiple socket

19,56 € (including 20 % tax)

[\[Product Details...\]](#)

Belt buckles

6,36 € (including 20 % tax)

[\[Product Details...\]](#)

3m cable for 2nd cathode

59,78 € (including 20 % tax)

[\[Product Details...\]](#)

5m cable for manual remote control

Cable connecting the contact handle to CPU or to remote control winder. [\[Product Details...\]](#)

Bulk cable

cable ordered by meter. [\[Product Details...\]](#)

Anode cable 1.5m

128,52 € (including 20 % tax)

Cable to connect the anode carrier stick to MARTIN PECHEUR ^{Â®} CPU. [\[Product Details...\]](#)

[\[Product Details...\]](#)

Connection cable (3m) for cathode

57,67 € (including 20 % tax)

RS232 cable

33,79 € (including 20 % tax)

3m cable to connect scales to calcimeter or calcimeter to PC. [\[Product Details...\]](#)

3-wire cable M/F

3-wire cable male-female to connect CPU to anode carrier stick or backpack transmitter to anode carrier stick. [\[Product Details...\]](#)

[\[Product Details...\]](#)

Foam chock

1,87 € (including 20 % tax)

[\[Product Details...\]](#)

Anode carrier stick with magnetic switch, 3-pin plug

Anode carrier stick with magnetic switch, 4-pin plug

292,56 € (including 20 % tax)

Anode carrier stick with magnetic switch, 4-pin plug, two pieces, L=1.5m [\[Product Details...\]](#)

Anode carrier stick with magnetic switch, 4-pin plug

New 4-pin plug for better strength: the anode carrier stick plug to connect anode cable has 4 contacts. [\[Product Details...\]](#)

Anode carrier stick in polyester

Anode carrier stick for electro-fishing devices type HERON^{Â®} or AIGRETTE^{Â®}. [\[Product Details...\]](#)

Tin trunk for transportation

146,28 € (including 20 % tax)

Tin trunk used to transport MARTIN PECHEUR^{Â®} and its accessoires [\[Product Details...\]](#)

Hood for generator

471,34 € (including 20 % tax)

[\[Product Details...\]](#)

Pressure sensor

196,96 € (including 20 % tax)

[\[Product Details...\]](#)

Cap knob with indicator

3,78 € (including 20 % tax)

[\[Product Details...\]](#)

Cap for anode carrier stick

[\[Product Details...\]](#)

carousel

285,25 € (including 20 % tax)

Rotating rack for 21 bottles [\[Product Details...\]](#)

Charger for one or two batteries

763,20 € (including 20 % tax)

Charger for Ni-Cd batteries used by the device type MARTIN PECHEUR^{Â®} [\[Product Details...\]](#)

Charger for transmitter

The type of charger, M or H, depends on the frequency used by the transmitter. [\[Product Details...\]](#)

Charger for transmitter H type

69,29 € (including 20 % tax)

The H-type charger is specific to electro-fishing device type HERON^{Â®} and for transmitter of type C or L. Please contact us for more information. [\[Product Details...\]](#)

Bare frame for HERON 2000

428,50 € (including 20 % tax)

[\[Product Details...\]](#)

Spark plug spanner

14,40 € (including 20 % tax)

Spark plug spanner for HONDA engine. [\[Product Details...\]](#)

key for switch

37,64 € (including 20 % tax)

Key to switching from manual remote control mode to radio remote control mode. [\[Product Details...\]](#)

Time counter for door or front

125,29 € (including 20 % tax)

Display the actual fishing time [\[Product Details...\]](#)

Ring terminal for cathode

28,62 € (including 20 % tax)

[\[Product Details...\]](#)

Ring terminal (100)

17,04 € (including 20 % tax)

[\[Product Details...\]](#)

Tank for galvanonarcosis

PVC or HDPE tanks for galvano- or electro-narcosis generator. [\[Product Details...\]](#)

Vent for tailpipe

9,60 € (including 20 % tax)

Vent for tailpipe of HONDA engine. [\[Product Details...\]](#)

Winder

Cable winder for anode, cathode and remote control. [\[Product Details...\]](#)

Exhaust

Pipe and accessories to deflect exhaust gases and reduce engine noise. [\[Product Details...\]](#)

Wheel nut

3,13 € (including 20 % tax)

Nut used to tighten the HERON ^{Å®} box in its frame [\[Product Details...\]](#)

Wing nut stainless steel

1,82 € (including 20 % tax)

Nut used to bolt the cathode electrode on the cathode cable or to bolt the anode electrode ring on the anode carrier stick. [\[Product Details...\]](#)

Electrode

Anode or cathode electrode [\[Product Details...\]](#)

Cathode electrode

139,96 € (including 20 % tax)

Cathode electrode consists of 6 strands of 1m braided copper. [\[Product Details...\]](#)

Radio remote control transmitter

Radio remote control for electro-fishing device type AIGRETTE^Å or HERON^Å. [\[Product Details...\]](#)

[\[Product Details...\]](#)

ALBATROS set

[Call for Pricing](#)

Calcimeter set

[Call for Pricing](#)

The calcimeter set, ready to use. [\[Product Details...\]](#)

Electro-narcosis set

2 798,40 € (including 20 % tax)

This galvano- or electro-narcosis set includes the generator and its accessories (tank not included). [\[Product Details...\]](#)

MARTIN PECHEUR set

[Call for Pricing](#)

[\[Product Details...\]](#)

Anode cable socket

46,19 € (including 20 % tax)

Socket for anode cable. [\[Product Details...\]](#)

Remote control plug

[\[Product Details...\]](#)

Remote control socket, 2-pin

79,13 € (including 20 % tax)

Remote control socket, 2 pins, specific to electro-fishing device type HERON ^{Â®} manufactured before 2000.

[\[Product Details...\]](#)

Plug

Plug for single-wired cable, type anode carrier stick cable for HERON ^{Â®} or AIGRETTE ^{Â®} or cathode cable for MARTIN PECHEUR ^{Â®}. [\[Product Details...\]](#)

Bottle for acid

20,32 € (including 20 % tax)

0.5l bottle [\[Product Details...\]](#)

Fuse D1

6,56 € (including 20 % tax)

[\[Product Details...\]](#)

Barrier generator unit

[Call for Pricing](#)

Pulse generator for electric barrier for fishes. . [\[Product Details...\]](#)

Safety splint 4mm

5,15 € (including 20 % tax)

[\[Product Details...\]](#)

Generator 5KVA

8 869,50 € (including 20 % tax)

[\[Product Details...\]](#)

HERON

[Call for Pricing](#)

[\[Product Details...\]](#)

HERON configuration #1

[Call for Pricing](#)

This HERON ^Å® set has a remote control by backpack transmitter for fishing with one electrode. [\[Product Details...\]](#)

HERON configuration #2

[Call for Pricing](#)

This HERON ^Å® set has a backpack remote control by radio transmitter for fishing with two or more electrodes. [\[Product Details...\]](#)

HERON configuration #3

[Call for Pricing](#)

This HERON ^Å® set has a remote control by radio transmitter with magnetic switch for electro-fishing with one or more electrodes. [\[Product Details...\]](#)

HERON configuration #4

[Call for Pricing](#)

This HERON ^Å® set has a remote control by cable and manual contact switch for fishing with one or more electrodes. [\[Product Details...\]](#)

HERON configuration #5

[Call for Pricing](#)

This HERON ^Å® set has a remote control by manual contact handle or pedal for fishing by boat with one or more electrodes. [\[Product Details...\]](#)

Set of 21 bottles

82,80 € (including 20 % tax)

21 bottles of 0.06l for samples. [\[Product Details...\]](#)

Seal for plugs

1,87 € (including 20 % tax)

[\[Product Details...\]](#)

Sealing for head-bottle

33,65 € (including 20 % tax)

[\[Product Details...\]](#)

PC software

sur devis. (including 20 % tax)

Minimum configuration: Pentium 133 / 16 MB RAM / Disk space: 3MB / 1 serial port [\[Product Details...\]](#)

Crank

47,06 € (including 20 % tax)

Aluminium crank for cable winder of anode or remote control. [\[Product Details...\]](#)

MARTIN PECHEUR

[Call for Pricing](#)

[\[Product Details...\]](#)

Locking mechanism of the casing

45,14 € (including 20 % tax)

Locking mechanism for MARTIN PECHEUR ^{Â®} casing. [\[Product Details...\]](#)

Snap hook

7,49 € (including 20 % tax)

Snap hook to pull anode cable connected to the MARTIN PECHEUR or to the backpack radio transmitter. It avoids while walking to pull directly on the connectors. [\[Product Details...\]](#)

Automatic calcimeter user's guide

sur devis. (including 20 % tax)

[\[Product Details...\]](#)

User's guide for AIGRETTE

sur devis. (including 20 % tax)

[\[Product Details...\]](#)

User's guide for HERON

sur devis. (including 20 % tax)

[\[Product Details...\]](#)

User's guide for MARTIN PECHEUR

sur devis. (including 20 % tax)

[\[Product Details...\]](#)

Pair of gloves

Pair of rubber gloves with or without magnet. [\[Product Details...\]](#)

Rubber handle

8,12 € (including 20 % tax)

Rubber handle for HERON ^{Â®} or AIGRETTE ^{Â®} frame. [\[Product Details...\]](#)

Carrying handle

120,84 € (including 20 % tax)

Carrying handle, U shaped, for frame front of the AIGRETTE ^{Â®}. [\[Product Details...\]](#)

Handle for HERON box

54,70 € (including 20 % tax)

Stainless steel carrying handle for HERON ^{Â®} box.

[\[Product Details...\]](#)

Air pump for jack

627,54 € (including 20 % tax)

Air pump for automatic calcimeter jack. [\[Product Details...\]](#)

Helix gland for plugs

[\[Product Details...\]](#)

Multiple socket

Multiple socket used to fish with several anodes. 1 input and up to 4 outputs. [\[Product Details...\]](#)
